

SC 260 USB

SC 260 USB

SC 260 USB is a competitively priced stereo headset for connecting to a softphone via USB. With the emphasis on robust look and feel, SC 260 USB is perfect for price-conscious professionals that require wideband stereo sound and supreme comfort. SC 260 USB offers features including: CircleFlex® patent-pending dual-hinge ear cups for instant perfect fit and supreme comfort, a noise-canceling microphone, and a lightweight raised profile metal reinforced headband with numbered grooves. The combination of productivity-enhancing features and durability is ideal for users that need to perform at their best whatever the environment.

Features and Benefits:

- USB connectivity – easy handling and convenience for connecting to a softphone
- Best-in-class comfort – CircleFlex® patent-pending dual-hinge ear cups that adapt seamlessly to your ears, for instant perfect fit and relaxed all-day wearing
- Noise-canceling microphone – filters out ambient noise for optimum speech clarity
- Unique robust construction – crafted with look and feel in mind
- Dual-sided wearing style – numbered headband grooves for step-by-step adjustment ensures perfect binaural sound reproduction in noisy environments
- Durability – metal reinforced headband designed for years of wearing pleasure
- Sennheiser voice clarity -wideband stereo sound for a natural listening experience
- Bendable boom arm – easy to adjust to the optimal microphone position
- Pivotal boom – rotates through 350 degrees for precision microphone placement and wearing flexibility on right or left side
- Name tag personalization – easy user ID helps to avoid wearing a neighbor's headset
- ActiveGard® – technology protects you from acoustic shock and sudden sound bursts
- Peace of mind – 2-year international warranty

Product Information

Product name	SC 260 USB			
Art. No.	504404			
EAN No.	40 44155 05138 4			
UPC No.	6 15104 18113 7			
Product description	Binaural UC HS			
General Data				
Wearing style	Headband, binaural (dual-sided)			
Cable length	2.9 m / 9.5 ft			
Weight of headset	86 g / 3.04 oz			
Weight of headset, cable and connector	128 g / 4.52 oz			
Connector	USB			
Color	Black with silver			
Microphone				
Microphone type	Noise-canceling			
Frequency response	50 – 18,000 Hz			
Speaker				
Frequency response	50 – 18,000 Hz (stereo)			
Sound pressure	Max. 113 dB limited by ActiveGard®			
Packaging				
Dimension of product packaging (W x H x D)	153 x 200 x 59 mm / 6.03 x 7.88 x 2.32 in			
Package weight (incl. complete product and packaging)	225 g / 7.94 oz			
Units in distributor master carton	20			
Master carton weight incl. products	5.3 kg / 11.69 lbs			
Dimension of master carton (W x H x D)	352 x 315 x 416 mm / 13.87 x 12.41 x 16.39 in			
Unit pack/end user	1			
Content of delivery				
Box content	<ul style="list-style-type: none"> - Headset - Acoustic foam ear pads, mounted on headset - Cable/Clothing clip, mounted - Safety guide - Quick guide

Experience Sennheiser

Perfection is always relative: Users have different expectations from their headsets depending on their needs. For professional users, that need is to communicate as effectively as possible.

With Sennheiser's range of headsets, the combination of Sennheiser sound leadership, quality design and build – and a focus on real life usability – give the best performance possible in offices, call centers and Unified Communications environments.

Please visit us at: www.sennheiser.com/cco

Sennheiser is one of the world's leading manufacturers of headphones, microphones, wireless transmission systems and high-quality headsets for both business and entertainment.

Drawing on the electro acoustics expertise of Sennheiser and the leading hearing healthcare specialist William Demant, Sennheiser Communications' wireless and wired headsets for contact centers, offices and Unified Communications professionals are the result of Sennheiser's and William Demant's joint leadership in sound quality, design, wearing comfort and hearing protection.
